

# Free Amir

*Set to The First Noel*

Fre-eee Am-ir, the fans did say  
Our rebounding star we need to play  
Every night he shows his hustle and D  
Which every fan can clearly see  
Amir, Amir, Amir, Amir  
Born is the King of rebounding.

The fans looked up and saw a star  
Even if his shot is not up to par  
And his shot blocking brings the cheers  
And so grows the love for our man Amir  
Amir, Amir, Amir, Amir  
Born is the King of rebounding.

And by the light of that same star  
Three Wise men know he can go far  
Plenty of minutes was their intent  
Running down the ball wherever it went.  
Amir, Amir, Amir, Amir  
Born is the King of rebounding.

This star is fourth in ORB percentage  
He rarely fails to impress on his stage  
His highlight dunks brings down loud howls  
Such that we forgive his too many fouls  
Amir, Amir, Amir, Amir  
Born is the King of rebounding.

His on court hustle is bound to rub off  
Amir is one who will never be soft  
He breeds fear on D just with his presence  
He's worth more than gold, myrrh and frankincense.  
Amir, Amir, Amir, Amir  
Born is the King of rebounding.

Then let us all finally say  
Amir is one baller who can really play  
The Raptors' fans can easily see  
Amir Johnson needs to be set free  
Amir, Amir, Amir, Amir  
Born is the King of rebounding.
